INTRODUCTION

TO AQUAPLEX QATAR

Aquaplex, a leading distributor of Plumbing, Electrical, Tools and Hardware, Consumables and Construction related industrial products operates independently in Qatar, as a key authorized distributor for several internationally reputed brands and continues to add new brands to its offering.

With operations around the Middle East and a dynamic team of industry experts, Aquaplex Qatar is fully committed to ensure its customers receive superior quality products and service excellence unsurpassed in the trade. Its proven reputation in the industry to deliver quality and innovative products across its projects, makes Aquaplex a preferred MEP and construction partner in the Qatari market. In addition, the company has worked on several prestigious developments throughout Qatar for high profile businesses, reinforcing its presence in the MEP sector in the region.

SERVICE EXCELLENCE

Aquaplex has seen a continuation of recognition from its customers, stakeholders and suppliers over the years. Our ability to consistently meet and exceed our customer's expectations has helped build the reputation of being a reliable partner.

We continue to build strong relationships with customers, partners, employees and the wider community to ensure satisfaction for all stakeholders and propel the business rapidly and efficiently.

MESSAGE FROM OUR CORE TEAM

For over 20 years, Aquaplex has been a leading provider of quality products and is continuously striving for growth and efficiency in operations within the MEP industry, in the GCC region.

Through a combination of professional excellence and in-depth understanding of our industry, we have managed to deliver several projects that have helped us grow and remain resilient despite challenging market conditions.

That's not all, true to Aquaplex's guiding philosophy, we have and will continue to do our best to meet the expectations of our many stakeholders, strive for quality in everything we do, and leverage diversity across Aquaplex.

As an organisation, we look forward to a new era of growth as we continue to pursue new opportunities that maximise value creation for our stakeholders.

“We have earned the trust and respect of our customers and dealers with great services, JIT deliveries and competitive pricing.”

- Baburaj K Nair, Country Head of Aquaplex Qatar

VISION

To be prominent distributors of best-in-class plumbing, tools and hardware consumables and electric products at competitive price points.

MISSION

To maintain highest standards in all our operations and to provide solutions that create a positive impact on the communities we live and work in.

VALUES

To create value with values in place.

PRODUCT RANGE

Piping Systems

Our extensive range of pipes & pipe fittings cover almost every application in the building industry and feature some of the world's leading brands well known for their superior quality.

Kitchen & Bathroom Fittings

We offer a wide range of high quality products that cover all of your bathroom fixtures and sanitaryware requirements.

Pumps, Water Heaters & Filters

We feature a wide selection of premium quality water heaters, water filters and pumps that conform to the best in safety & performance standards.

Electrical & Lighting Products

Our premium range of electrical products and lighting accessories have been specifically sourced to make us the ideal choice for all your needs.

Tools & Consumables

We offer a comprehensive selection of tools and consumables for the building industry and are well stocked to offer a vast range for the professional builder and handyman alike.

ASSOCIATED WITH PROMINENT BRANDS

CSR INITIATIVES

Giving back to the community

Aquaplex is actively involved in CSR initiatives and strongly believes that businesses contributing towards the well being of society, community and the environment can bring about a substantial positive change.

CONTRIBUTING TO A SUSTAINABLE ECO-SYSTEM

Aquaplex has joined hands with GreenBox to recycle all of its waste paper.

EDUCATION IS THE MEANS TO A BETTER LIFE

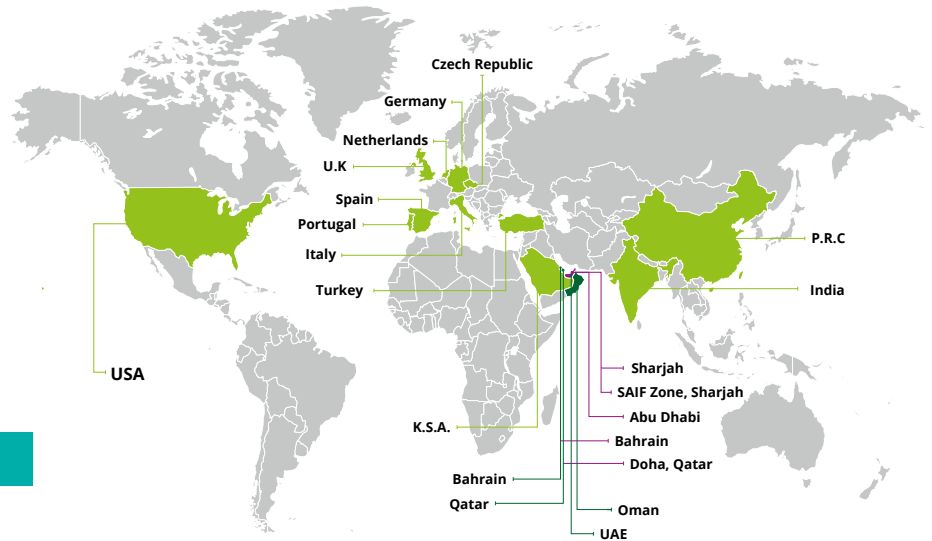

Aquaplex donated text books to the needy students of Daffodil International School in Bangladesh.

WHY PARTNER WITH US

“Our business model has been carefully crafted to support the success of national and regional development strategies.”

Aquaplex is the ideal business partner because of our depth of experience in the region and industry, our aptitude for flexibility and scalability, and not last but not the least, our people - who with their commitment, training and empowerment, ensure our success is your success.

OUR CLIENTS

OUR STAKEHOLDERS & WHAT THEY HAVE TO SAY

“We have been operating in Qatar since a very long time, and Aquaplex has been the right partner of choice for our business. We are glad to be associated with them, and hope that this relationship will grow stronger by the day.”

“We have been Aquaplex’s associate since 2014. As a key service provider for the company, it gives us immense pleasure to work with such professionals, who not only value the importance of timely service, but also ethical business practices.”
