INTRODUCTION

TO AQUAPLEX QATAR

Aquaplex, a leading distributor of Plumbing, Electrical, Tools and Hardware, Consumables and Construction related industrial products operates independently in Qatar, as a key authorized distributor for several internationally reputed brands and continues to add new brands to its offering.

With operations around the Middle East and a dynamic team of industry experts, Aquaplex Qatar is fully committed to ensure its customers receive superior quality products and service excellence unsurpassed in the trade. Its proven reputation in the industry to deliver quality and innovative products across its projects, makes Aquaplex a preferred MEP and construction partner in the Qatari market. In addition, the company has worked on several prestigious developments throughout Qatar for high profile businesses, reinforcing its presence in the MEP sector in the region.

SERVICE EXCELLENCE

Aquaplex has seen a continuation of recognition from its customers, stakeholders and suppliers over the years. Our ability to consistently meet and exceed our customer's expectations has helped build the reputation of being a reliable partner.

We continue to build strong relationships with customers, partners, employees and the wider community to ensure satisfaction for all stakeholders and propel the business rapidly and efficiently.

MESSAGE FROM OUR CORE TEAM

For over 20 years, Aquaplex has been a leading provider of quality products and is continuously striving for growth and efficiency in operations within the MEP industry, in the GCC region.

Through a combination of professional excellence and in-depth understanding of our industry, we have managed to deliver several projects that have helped us grow and remain resilient despite challenging market conditions.

That's not all, true to Aquaplex's guiding philosophy, we have and will continue to do our best to meet the expectations of our many stakeholders, strive for quality in everything we do, and leverage diversity across Aquaplex.

As an organisation, we look forward to a new era of growth as we continue to pursue new opportunities that maximise value creation for our stakeholders.

“We have earned the trust and respect of our customers and dealers with great services, JIT deliveries and competitive pricing.”

- Baburaj K Nair, Country Head of Aquaplex Qatar

BCCA

BENOR CERTIFICATE

issued on the basis of the provisions of the Implementation Rules for BENOR certification of thermoplastic pipes and accessories, TRA BB 651, to the company

Akatherm bv

Industrieterrein 11, NL - 5981 NK Panningen,

for the production of

PE-fittings for soil and waste discharge (low and high temperature) within the building structure, fitting group (other), size group 1 (32-63mm) and 2 (75-160mm): electrofusion sockets

manufactured in the production unit

Akatherm bv

Industrieterrein 11, NL - 5981 NK Panningen,

in accordance with the

PTV 1004 and NBN EN 1519 "Plastics piping systems for soil and waste discharge (low and high temperature) within the building structure - Polyethylene (PE)"

By issuing the certificate, BCCA declares that, on the basis of (I) the initial assessment of the product characteristics by means of testing, (II) the initial evaluation and acceptance of the quality assurance in production, (III) the regular external control of the implementation of the quality assurance processes and the control schemes agreed upon, (IV) regular control tests in a recognised external laboratory, sufficient confidence can be given to the measures taken by the certificate holder for guaranteeing conformity with the prescriptions.

The annex to this certificate gives the data with regard to the certified product. This document is an annex to the certificate and is authenticated by BCCA.

Following the issuing of this certificate and as long as it is maintained valid, BCCA grants the right to use the BENOR mark to the certificate holder. The proof of delivery of a product under the BENOR mark is given by a suitable identification on the product. The use of the BENOR mark does not relieve the certificate holder of his responsibilities with regard to the delivered product. The validity of this certificate can be checked via www.bcca.be.

N° certificate **BB-661-1640-1519.C3-D12EF-1640-34743** | Valid from **01-07-2018** until **30-06-2021**

Issued in Brussels, on 08 August 2018.

Mr. B. De Blaere,
General Manager

The BENOR mark is a registered collective mark, that is the property of the Bureau for Standardisation (BIBR). The BENOR certification is a voluntary system that is established on the basis of a consensus between stakeholders and is a response on the request of the user to "know & lift one's own" about the aspects with regard to: quality, public security, suitability for use, health and the interests of the end users.
