# INTRODUCTION

## Made in Italy Since 1965

### Company

Born in 1965, today **FIGORE** is a well-known name, esteemed by businessmen of the same sector as well as the consumers themselves, in Italy and all over the world. The reason behind this rapid growth and the commercial successes which followed are due to the competence of those working in the company as well as to the large investments made by Fiore Rubinetterie over the years.

### Project

Fiore production starts from the study of the design according to the customer requirements, market trends and strong desire of innovation. Fiore Research and Design Center is constantly moving between experimentation and technology following the latest innovations regarding manufacturing systems, product optimization and design trends.

### Quality

Product quality, attention to the customers' needs and the ability to meet their requirements in the shortest time possible are the focal points of Fiore philosophy and the reason for our continuous success.
